

Unconventional Strategies and Groundbreaking Thinking Will Change Your Game!

Kellan's Most Popular Topics

The Book of Context

What you believe controls everything you do. It defines the boundaries of what you accomplish. To make changes and lead today, you must understand what you believe, how it limits you and what to do to create and quickly adopt new beliefs. The keys to this change will allow you to adapt quickly, change decisively and lead effectively in everything you do.

Business Strategy

Strategy is the core of effective success. It is not enough to do anything the old way. The keys to strategic thinking adapted to your business and market segment. Master quickly, deploy stealthily, blow the competition away and become the industry standard.

Guerrilla Marketing and Explosive Growth

Now, right now, every small business has the tools and reach to compete with huge corporations for market share, brand dominance and customer loyalty. Explosive growth is not only possible, but it is the key to survival. Create loyalty, rabid followers and turn the growth curve upside down. Deploy the tools of the guerrilla to capture clients, boost profits and dominate the new game of business.

Entrepreneurship and Modern Business

Unmask and deploy the three keys to successful start-up for an upstart company. 1. High tolerance of uncertainty. 2. See beyond the obvious. 3. Be a finisher. Learn to discover, develop and deliver your capacity to deploy these three essential pillars of growth and thrive in any economy.

Personal Transformation

High productivity and high job and life satisfaction is not an accident; it is a choice. Everything you need to know to adapt and thrive in the new fast-paced and changing world to eliminate the barriers of Fear, Procrastination and Self-Sabotage from your life and work. Personal development on a new level.

The New Leader

Everything has changed. Leading a team is different now. If your team is local or remote, foreign or domestic, small or large, you must have the three essential skills of the New Leader. 1. Accessibility. 2. Vision. 3. Modeling. Increase your effectiveness and results and start now.

Breakthrough Leadership Results

Traditional leadership models have all broken down. The workforce has changed. Learn and leverage the new value structure and motivators of today's smart, sophisticated and independent skilled team members. Your team and your company will never be the same.

You are not paranoid.

The world around you has changed. Winning requires new skills in Leadership, Motivation and Marketing

With everything moving faster, and tastes and technology changing at breakneck speed, achieving RESULTS that matter is more critical than ever. Finding and eliminating external and internal roadblocks quickly and efficiently is the only way to survive in today's complex world.

As a C-level executive in multiple countries and a consultant, business coach and standing ovation motivational and leadership speaker with over 30 years' experience, the results speak for themselves.

Kellan has developed unique and effective systems that drive unprecedented growth and results for individuals, executives and cross-functional teams. Alberta's Energy Minister commented "Kellan has forgotten more about leadership than most people will ever know."

He has been a keynote speaker and workshop presenter to audiences from 20 to 2000 across the U.S., Canada, Mexico, Europe and Asia.

With a combination of engaging stories, powerful principles and actionable tools and frameworks, Kellan will entertain, instruct, motivate and above all, **change** the way you look at leadership in business.

Kellan's client includes luminaries and leaders. The Queen of England, the Governor of California, senior legislators in the U.S. and Canada, CEOs of major U.S. and Canadian corporations, Grammy Award winners, Best-Selling Authors, Super Bowl winners, doctors, actors and individual entrepreneurs.

He has appeared before the US Senate, the California legislature, FERC, spoken at Harvard University, Stanford University, the University of Alberta and the University of Monterrey.
